In Britain, over five million wild animals and birds are injured as a direct result of their encounters with our world. Wildlives is dedicated to rescuing and rehabilitating all species of British wildlife.

We depend entirely on donations from members of the public. In order to be able to treat and care for the many sick, injured and orphaned animals that are brought to the Centre by members of the public, the RSPCA and other animal welfare organisations, we need to constantly raise funds.

There are no other organisations in this area devoted to caring for wildlife in distress but if we are to remain open and helping these creatures -

**WE NEED YOU.**

The Wildlives Supporters Group was set up to raise money and promote awareness of Wildlives and the need we serve. £25 a year will help provide vital funding to treat and care for the thousands of animals brought to Wildlives every year. In return, Wildlives will send you a car sticker, a key ring and a certificate so that you can show your support for the Centre.

Wildlives can also send you a bi-annual newsletter if you tick the box, but to save costs, if you have access to the internet, you can read the newsletter on our website. It is also printed in the Thorrington and Great Bentley Magazine.

***For the cost of just an apple a week, put LIFE back into the wild.***
